Hide?	Set Name	Query	Hit Count
		DB=PGPB; PLUR=YES; OP=ADJ	
☐	L10	(formation model and parameter and deep reading and resistivity and tool response and resistivity profile).clm.	1
☐	L9	(formation model and parameter and deep reading and logging-while-drilling and resistivity and optimum formation model).clm.	1
☐	L8	((geological model or formation model) and (logging while drilling or measurement while drilling or MWD)and deep reading and resistivity and (geosteering or geological survey or geological steering)).clm.	0
		DB=USPT; PLUR=YES; OP=ADJ	
☐	L7	l6 and (logging while drilling or measurement while drilling or MWD)	39
☐	L6	geological model or formation model	559
☐	L5	formation model and (logging while drilling or measurement while drilling or MWD)	37
☐	L4	resitivity and L3	0
☐	L3	deep reading and (logging while drilling or measurement while drilling or MWD)	13
☐	L2	formation model and L1	113
☐	L1	geosteering or geological survey or geological steering	834
